PAYMENT PLAN

Advance Payments (25% of Total Amount):

To initiate the project, an upfront payment of 25% of the total project cost is required. This payment is due upon acceptance of the quotation and signing of the project contract.

After Implementing the System and Training Sessions (50% of the Total Amount):

Upon successful implementation of the system and completion of training sessions, a payment equal to 50% of the total project cost will be invoiced.

After 1 Month of Running the System and Implementing Enhancements (Remaining 25%):

The remaining 25% of the total project cost will be billed one month after the system goes live. This final payment will cover any enhancements and ensure the system is operating to your satisfaction.

TRAINING SESSIONS AND LIFETIME MOBILE SUPPORT

We are committed to ensuring that your team is fully equipped to maximize the benefits of our system. As part of this commitment, we offer the following:

Training Sessions:

Upon successful implementation of the system, we will provide a comprehensive one-week training program for your employees. This program will cover all aspects of using and managing the system effectively.

Lifetime Mobile Guide:

We understand that questions and challenges may arise even after the initial training. To provide ongoing support, we offer lifetime access to our mobile guide. This guide will serve as a valuable resource for your team, offering step-by-step instructions and troubleshooting tips whenever they need assistance on the go.

DEVELOPMENT TIMELINE AND ONGOING SUPPORT:

We are committed to delivering a high-quality product within a reasonable timeframe and providing continuous support to ensure your satisfaction. Here are key aspects of our commitment:

Development Timeline :

Our dedicated team will work diligently to develop and release the final product within a timeframe of at least **45** days from project initiation. During this period, you can expect regular updates on the project's progress.

Ongoing Support and Business Understanding:

We value your actively seek your full support to gain a deep understanding of your business. This understanding is the foundation upon which we will build a tailored system that aligns perfectly with your objectives.

Weekly Progress Meetings:

We are committed to maintaining an open line of communication with our clients. As part of our service, we will schedule weekly progress meetings where we will provide updates on the system's development, address any questions or concerns, and welcome client feedback. These meetings ensure transparency and allow clients to contribute their ideas and insights to shape the project's direction.

Thank You for Considering Our Quotation:

We sincerely appreciate the opportunity to provide this quotation. If you have any questions or need additional information, please feel free to contact us. We look forward to the possibility of working together.

Sincerely,

taproDev.
